

RUISSEAU D'ARGENT

Le CEF "Ruisseau d'Argent" est conçu pour participer à la désintoxication personnelle à travers le canal ancestral, aider à se remplir de puissantes ressources, et à nettoyer sa conscience des programmes négatifs de la société. Il aide à se connecter à la puissance et à l'énergie ancestrale de sa lignée, à ressentir la valeur de la vie, à mieux s'adapter aux nouvelles énergies et à l'écoulement du temps, à mieux le maîtriser et à être au bon endroit au bon moment.
